

Potluck Presbyterians: We've stirred the pot and added more spice!

Our fall season = more opportunities for friends & breaking bread together

So many years, so many friends, so many stories of wonderful potluck meals with church members! Potluck Presbyterians want **YOU** to be part of the tradition.

Hosts decide if the six or eight members will meet at their home for breakfast, brunch, lunch, “heavy” hors d’oeuvres, wine & cheese, dinner or even a dessert party -- or they might suggest meeting at a park for a picnic or at a local restaurant.

Regardless, Potluck Presbyterians say, “the more the merrier.” Sign up to host one event for the season. The roster will provide the names of your guests. This fall season, October, November and January, will be easier for everyone with the addition of more choices for gatherings. Submit your registration no later than **Sunday, September 6**. We’ll send the **rotating** roster of hosts and guests to all participants by September 18.

Fond memories of Potluck Presbyterian gatherings over the past three plus decades could fill a book – and we want you in the next chapter!

Please return the form below to shwoodruff@comcast.net or contact Sue Woodruff at (908) 914-6603 for more information and to participate no later than **September 6, 2026**.
